## #004 Nico Parlevliet: One Hour Listening (2014)

More than 1 hour, no preparation, one performer

Choose a day to free yourself four times a quarter of an hour:  
15 minutes in the morning, in the afternoon, in the evening and in the night!  
You can also choose to spread the moments over 4 different days,  
every day another quarter of an hour.  
The location at these moments is your own choice.  
During these quarters try not to produce any sounds, just listen.  
Listen carefully to all sounds around you!

You need a notebook and a pen !  
Describe the sounds you hear, as realistic as possible.  
After these 4 moments you will have a list full of sounds  
You have one hour of audio recordings in writing.  
Choose your favorite note, copy it, frame it  
and be proud of your performance.!
