## #005 Jonathon Keats: Dream Exchange (2014)

Classified advertising for dreamers,  
anonymously placed online and in newspapers. For instance:  
"Dream of a universe with three-dimensional time is  
freely offered by a dreamer for dreams of fellow sleepers."

In a world that deems art a commodity, dreams are an  
art form that all can afford, and what is dreamed  
can be given freely in unlimited quantity.
