#030:Heekyung Ryu: A Journey Together (2015)

(2 or more participants)

It's a way for people to get from one place to another.

- 1 Set the starting point and the specific destination.
- 2 Confirm with each other before starting.
When everybody is ready, go on a journey to reach the journey's end.
- 3 Do not talk and see each other on the way,
but continuously try to be conscious of one another.
- 4 When everybody arrives, check everyone is with you.

(After being accustomed to do a one-to-one journey,
you could try to increase the number of the participants,
a distance between a starting point and a destination,
a distance between the fellow travellers.)
