Walking and Standing Performance

- Create a group consisting of 5-7 persons.
- Form a close circle and get acquainted.
- Wear your clothes in a similar way, try to look a little bit alike.

-One person is pointed out as the leader of the group.
The leader determines when the group starts walking and stands still.

- Spread out in different directions, walking away a few steps from each other.
 - Stand still, motionless for some time, until the leader starts moving again.
 - Move towards the leader, form a close circle, then walk away again, etc.
- Repeat.

Keep in touch with each other at all times, be in the bubble of your group.
Become one moving organism.
