## #033:leke Trinks: Be late (2015)

Be late.

Choose a date, time, and duration.

For the period of time chosen do everything late.

Note the effect that being late has on you.

Note its effect on your surroundings.

Examples:

Pick up the phone late, after you have let it ring for an usually long time.  
Say hello late, after the person passes.

Cross the street late, after the signal changes.  
Arrive late at stores, as they are closing.
