#080: Mishmash: A Quaint Experience of a Mishmash Grammar (2017)

Go to the sea. Lay on a beach. Look around.
Collect all little things you see around:

stones
drift wood
shells
plastic
glass
feathers
etc.

Arrange them in random order as a line.
Assign each type of material as a part of speech:

noun
verb
adjective
adverb
pronoun
numeral
etc.

Write a text according to it.
Take a photo of the line.
