#083: Maya Felixbrodt: Sing me a Mountain (2017)

Imagine a mountain.
one that you've been to, or one that you think of.

Close your eyes and draw the outline of this mountain on a piece of paper.

You can ask others to participate by drawing their own mountains
on that same piece of paper.

Later you can change the mountains, or delete some.
lines can meet and mix.

Sing or play the mountains by following one of the outlines
with your voice or instrument,
as if it were a melody.

Sing or play
alone or with others.

Each player is one mountain.
