#101: Andrew McNiven: Stairway to Heaven (2018)

Go into a musical instrument shop, pick up a guitar, and play the guitar part to Led Zeppelin's Stairway to Heaven* for a couple of minutes, then leave.

Do not explain or discuss with shop staff. The guitar part should be recognisable but the quality of the playing is not important.

What is important is that it is annoying.

*A brief lesson in playing this is available here:
