#119: Jessica van Deursen: Passenger (2020)

Find a space where you can sit comfortably for 10 – 15 minutes.
Make sure that your position as well as the way you sit, is non-theatrical.

Observe the people who are walking by.
Focus on adults of different ages and kinds.
Focus on one person at a time.

Imagine what the people you decide to observe,
might have looked like as a child.
