#121: Josué Amador: Window (2020)

Note: Window was composed in March 2020 during the quarantine period. The purpose of the piece is to encourage possible performer(s) to create a sound piece to connect their indoors worlds with the ones beyond the walls.

Option A: Open your window and call out someone else's name.
Do it as loud as possible

Option B: Open your window and listen attentively,
if you hear someone calling you, call out someone else's
name. Do it as loud as possible

For both options: Do not close your window, someone may call you
